

IFMA DE Green Building Award 2011 Application

- **Mission Statement:**

Our objective is to guide IFMA members and associates in applying sustainable practices to their facilities and projects. Through education and recognition we are committed to meeting the needs of our industry's trends in sustainability. We are committed to leadership in making regional facilities of all kinds dedicated to environmentally responsible, economical and healthy places to live and work.

- **Benefits:**

- An Award shall be presented to the winner at the End of Year Social on June 7th, 2011 at the Historic Buena Vista Mansion.
- Advertisement at all 2011 IFMA events and meetings
- Front page IFMA website recognition
 - Includes description of Sustainability efforts and achievements
- Printed announcement in local newspaper(s)

- **Requirements and Eligibility:**

- Applicants can consist of contractors, designers/architects, building owners/managers or facilities managers.
- IFMA membership not required.
- Complete attached application form and checklist.
- Current LEED certified buildings are not eligible, but will be recognized throughout the program.
- There are no square footage restrictions. Judgment will be based upon application of LEED EB/NC guidelines.
- Spaces submitted shall be constructed by the time of entry.
- Spaces shall have been built in Delaware or counties in Maryland, New Jersey or Pennsylvania that border Delaware.
- Provide needed detailed information to clarify or expand on any checklist item that you wish to highlight on the attached detail sheet.
- A visual representation of the project in any format. Photos or visual submittals will not be returned unless self address stamped/paid postage is included.
- Optional Submittals: any other supporting documents you would like to include such as architectural plans and details.
